SUMMARY OF QUALIFICATIONS

I have been editing for over 34 years, having worked on network, cable, syndicated and corporate programming including dramatic series, comedy series and specials, music specials and concerts, documentaries, sitcoms, sports events, as well as national and local commercials, and music videos. I'm currently on staff at Kober Post Production in Hollywood. Staff positions in the past include those with Netter Digital Entertainment, Inc. (1994-2000), Laser Pacific Media Corp. (1984-1990), Telemation Denver (1982-1983), Pacific Video Inc. (1979-1982), and ABC Television Network (1972-1979). Freelance positions (1990-2006, include those with Triage Entertainment, Evergreen Films, Kickstart Entertainment, Stone Stanley Entertainment, Laser Pacific Media Corp, Complete Post, Rattlesnake Productions, The Wrightwood Group, and Aardvark Post. I have over sixteen years experience with Avid off-line and on-line systems, including Avid Symphony and AvidIDS. I also have extensive experience using linear, tape-based edit systems, utilizing all major videotape formats and take pride in delivering product meeting or exceeding broadcast quality standards. And finally, I am comfortable working either alone or as part of a team.
